

# Jazzy®

## ELITE ES-1

The Jazzy® Elite ES-1 offers a combination of great style, comfort and performance for your active lifestyle. The in-line, front-wheel drive design provides tight turns around corners for optimal indoor maneuverability in tight spaces. Large front wheels offer extra absorption over obstacles and superb climbing capabilities combine with front anti-tip wheels for transitioning over grade changes easily. The Jazzy Elite ES-1 handles various terrains with ease.

The information contained herein is correct at the time of publication; we reserve the right to alter specifications without prior notice. Speed and range vary with user weight, terrain type, battery charge, battery condition and tire pressure. Due to manufacturing tolerances and continual product improvement, length, width, turning radius and ground clearance can be subject to variance of + or - 3 %. Special order seats or non-standard dimensions will not be fold-flat and depth-adjustable.
